ORIGINAL RALLY CAR BEING PREPARED FOR THE MONTE CLASSIQUE

Mike Authers of MG Midgets in Abingdon is planning to enter this old beauty in the 2021 Classique and has already started preparing the car. Mike and his son have competed in a number of Targas and have participated in HRCR events. The Austin Healey Sprite is supercharged and Rallied from new. It has been unused for many years so Mike reckons that the 15,000 miles on the clock is genuine. He is doing a very sympathetic preservation rather than restoration.

Mike is very keen to know more of the history of the car. He does know that it's first owner was Mr Claude Dillon of Askett Garage Buckinghamshire who did mostly London Counties Club Rallies. Does anyone know anything about the car, it's competition history or even any photographs?

If you have anything, let me know and I will put you in contact with Mike.
