MORE GREAT NEWS

For the **2026 Rallye Monte Carlo Historique** there will be some important and exciting changes to the Rallye which I am sure will be welcomed by all the competitors. These changes, which will be announced in due course, will enhance the Rallye and make it even more attractive.

If you are interested in entering either the **Rallye Monte Carlo Historique** or **Classique/Touristique** please get in touch so that we can make sure you are on the circulation list for all future updates.

Now would be the time to start preparing your Classic for the big adventure and if you don't have a suitable car there are lots on the market at quite good prices.

If this is on your bucket list this would be the one to enter.
